

NEW ENGLAND  
Cancer Specialists

## Group Acupuncture with Anne Jacobs, ND, LAc

New England Cancer Specialists is pleased to introduce appointments for group acupuncture at our Brunswick office.

The group acupuncture model has been developed to allow for more frequent appointments at a reduced cost (\$35 per session).

Acupuncture can help with common side-effects associated with cancer treatment, including:

- Nausea control
- Fatigue
- Neuropathy of hands and feet
- Anxiety
- Hot flashes
- Insomnia

**Group acupuncture will be available Mondays from 2 to 4 p.m.**

**To schedule an appointment, please call 729-1148**

**Anne Jacobs, ND, LAc**

Dr. Anne Jacobs attended the National College of Natural Medicine (NCNM) where she received her Naturopathic Doctor (ND) and Masters of Science in Oriental Medicine (MSOM) degrees. She completed internship and residency at An Hao Natural Health Center, a part of the Institute for Traditional Medicine, in Portland, Oregon.
